### These Values – This Expertise – This Vision

We add in the most demanding environment of your business

# ABOUT US

## Since the early days of our founding, several core beliefs have been instilled in our executives and employees:

### Respect:

*We always treat everyone with respect.*

*We respect our customers recognizing their needs and objectives.*

*We respect our own colleagues recognizing their strengths, contribution and personal circumstances.*

### People Development:

*We recognize and support the desire and ability of individuals to grow and improve. We care to provide both structured as well as on-the-job training, in managerial and technical skills.*

### Innovation:

*We nurture and encourage our people's desire and ability to be innovative in everything. We foster each person's freedom to come forward with technical and efficiency ideas and we seek for the opportunities, as well as the passion and actions to implement those.*

### Accountability:

*Individuals, departments, the whole company, we are all and we expect to be held accountable for our performance and results. We encourage responsibility on all levels, using initiative, as well as, making sure the result always meets expectations*

### Excellence and quality:

*We always provide our customers with an excellent product or service, one of quality to be proud of, that meets and exceeds their expectations.*

# OUR VALUES

When the founders of HellasFabrication (M. Dimitriou family) set the vision, values and mission they had two things in mind:

- *Top-quality in every technical project we undertake.*
- *Excellence and quality*

To that end, we will:     *Distinguish ourselves as an innovative provider of high-quality technical solutions.*

*Be recognized for our ability to rapidly provide these solutions in the most challenging and complex situations.*

*Be the Trusted Advisor, Partner and Preferred Provider of the heavy industry in anticorrosive protection, fireproofing and industrial insulations.*

*Deliver long-term value to our clients.*

*Be valued by our customers, esteemed by fellow employees, embraced by teammates and respected by competitors.*
